**INDIVIDUALIZED ELIGIBILITY RULES**

***ELIGIBILITY***

A student may not participate in a sport if he/she turns fifteen (15) on or before September 1 of the current school year. A student may not participate in B (Junior Varsity) sports if the student is fourteen (14) years of age on or before September 1 of the current school year. Eighth graders may NOT participate in middle school B (Junior Varsity) sports. Sixth-grade students are allowed to participate in middle school varsity sports when, in the opinion of the coach, athletic coordinator, and principal, the student is mature enough and has the skills necessary to compete at the A (Varsity) level.

***PARTICIPATION***

A student may participate in only one school team during a given sports season and may change sports before the first competition. They may not change sport once the regular season begins. Any exception to this must be approved by the school’s athletic coordinator and principal in the case of extenuating circumstances. Once a middle school student participates with a high school team, they forego the privilege to participate with the middle school team in that sport.

***ACADEMIC ELIGIBILITY***

A student must pass a minimum of five classes and fail no more than one class for the nine-week grading period. The student shall be declared ineligible for the next grading period. This rule applies to practice as well as game participation. Ineligible students who become eligible after team selections may not join a team.

***MEDICAL EXAMINATION/PARENTAL PERMISSION***

In all interscholastic activities, each participant must have a valid physical examination by a Doctor of Medicine, Doctor of Osteopathic Medicine, Nurse Practitioner or Physician’s Assistant and have permission from parent/guardian before the participant may engage in any sport. An Emergency Care Card shall be completed by each participant and signed by the participant’s parent/guardian. The cards shall be readily available to coaches at practices and games.

***SELECTION OF TEAM***

Team selection should include as many participants as possible. Each student trying out will receive information from their school specifying length of practice, criteria for squad selection, equipment needed, and a schedule of games. All squad selections will be implemented in a positive and objective manner. There will be three designated days for tryouts for all athletic teams.

***INSURANCE***

All students participating in the athletic program should have insurance coverage for accidents. The accident insurance policy made available by the Prince William County Public Schools covers all athletic activities.
